

Parent Organization (PTO)

Empowering our School, Building our community

Welcome to the Courage Parent-Teacher Organization (PTO)! We are thrilled to have you as part of our vibrant and supportive community. Our mission is to enhance the educational experience of every student at Courage School by fostering a strong partnership between parents, teachers, and staff. Through engaging events and fundraisers, we aim to create lasting memories and enrich the educational journey of our children.

Coffee and Conversations

Coffee and Conversations is a simple way to facilitate connections and friendships among parents, all while providing a relaxed and enjoyable environment. The morning carpool drop-off can be hectic for many parents, so having the chance to grab a drink while engaging in conversations with other parents can be a refreshing and rewarding experience.

Silent Auction Fundraiser

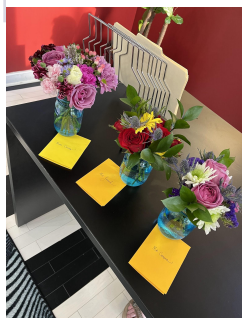

Join us for a spectacular evening of fun and generosity at our annual Silent Auction Fundraiser! This event is open to all Courage families, providing an excellent opportunity to mingle with other parents and staff while supporting our school. Our dedicated committee volunteers work tirelessly before, during, and after the event to ensure its success. From requesting silent auction donations to event setup and clean-up, every effort counts in making this event a grand success.

Touch Base Lunches

We believe that our faculty and staff play a crucial role in shaping the lives of our students. To show our appreciation, the Touch Base Lunches initiative brings families together to provide delightful lunches for our hardworking teachers and staff. Committee chairs coordinate these lunches, with two families usually sharing the joy of providing a meal. Volunteers are always welcome to assist with event setup, making it a team effort to cherish those who dedicate their time to nurture our children's potential.

Faculty Birthdays

Our teachers, faculty, and staff make a significant impact on the lives of our students daily. The Faculty Birthdays program aims to celebrate these special individuals throughout the year. Committee chairs plan heartwarming birthday celebrations and invite volunteers to join in the event setup and cleanup, making each birthday a cherished memory.

Spirit Nights

Join us for monthly Spirit Nights at local restaurants! These generous establishments pledge to donate a portion of their sales from the evening back to Courage School. The Spirit Nights committee chair works diligently to organize these events and communicates them with all Courage families. It's a fantastic opportunity to enjoy good food, company, and support our school at the same time.

Special Treats Days

The Special Treats Days program is designed to brighten the days of our students with surprise treats throughout the year. Committee chairs curate these special moments, and volunteers are encouraged to participate in the event setup and cleanup, spreading joy and appreciation within our school community.

Mom and Dad Nights Out

Building a strong community is at the heart of Courage School, and the mom and dad Nights Out are perfect opportunities to foster connections and create lasting friendships. The committee chairs coordinate social evenings out for Moms and Dads, providing a relaxed environment for all to come together and support one another within the Courage family.

Used Uniform Program

Sustainability meets affordability with our Used Uniform Program. The committee chair collects and sorts gently used uniforms donated by families. These pre-loved items are then sold to other families, with all proceeds supporting the PTO. Embrace the spirit of reuse and contribute to our school's sustainability efforts!

Please join us in making a difference at Courage Schools! Your involvement, whether big or small, contributes to the success of our PTO initiatives and strengthens our school community. Together, we can achieve great things for our children's education and well-being.

For more information or to volunteer, please visit our website or reach out to the PTO committee chairs. Let's build a brighter future for our Courage students!
